Mid-semester Teaching Assessment

Please answer these questions carefully. They will help your professor to help you better. If you need more room to explain something you may include an extra page(s) of your own.

This is anonymous — do not include your name or ID #!

1.	About your time in the classroom				
	(a) The explanations in class are confusing	very helpful			
	(b) The atmosphere for asking questions very bad	s in class is very good			
	(c) The group work during class is a waste of time	very helpful			
	(d) The pace of the class is very slow	very fast			
	(e) I attend of the classes very few	all			
2.	About the methods of evaluation				
	(a) The amount/length of assignments is too light	too heavy			
	(b) The assignments are			Check all	
	helpful challenging	interesting	fun	that appl	
	(c) The quizzes (and test) are very easy	very hard			
3.	Office hours				
	(a) If you have not seen the professor during office hours, why not?			Check all	
	time conflict haven't needed	d to just don't want to	scared to	that appl	
	(b) If you have seen the professor during confusing	office hours, please rate your exp very helpful	perience		
1.	About your learning experience So far I am understanding the material not at all	very well			
5.	Overall so far, this class is very bad	excellent			

6	. Something I do not quite understand yet is
7	. What new things do you think the professor should <i>start</i> doing to help you learn the material better?
8	. What things does the professor do in class that help you to learn the material and that he should <i>continue</i> doing?
9	. Are there any things that the professor does in class that he should <i>stop</i> doing?
